Dear KidneyTexas Members,

As my tenure as President comes to an end, I want to take a moment to express my deepest gratitude for your support and dedication you have shown throughout this year.

Together, we have worked towards our shared goal of improving kidney health and patient care. The year has been fulfilling and busy.

We had to postpone our Board/Charity Presentation Meeting in January due to icy weather to February with Coordinators **Sandy Secor** and **Emilynn Wilson** at the helm; January weather did allow a visitation to **Methodist Medical Center** to tour and view the completed patient room with KidneyTexas signage from a previously beneficiary funding; March was the Spring Membership/Guest Tea chaired by **Christian Iles** at **Venise Stuart's** beautiful home; in April, the **SW Transplant Alliance** hosted a tour combined with a KidneyTexas Board meeting; in May, KidneyTexas was honored to receive the Southwest Transplant Alliance Foundation 2023 "Outlive Yourself Award" at their Reception event; in June, we had a summer Board Meeting at my home; we continued planning and executing the fall Luncheon/Style Show throughout the summer. The exemplary Luncheon/style show chaired by **Venise Stuart**, was held in September as well as the Luncheon Patron Party hosted by **St. John's** at their North Park store chaired by **Sandy Secor**. October was the month selected for the Fall Membership/Guest Fall Tea chaired by **Monica Cooley** at the beautiful home of **Cindy Feld**. Also, in October, **Parkland** hosted our Board Meeting and a tour of their facility; In November, **Methodist Medical Center** hosted a view and photo opportunity for the Patient Room signage of KidneyTexas from recent funding; December 6th was the Check Presentation Party for our four selected beneficiaries (**Children's Hospital, Camp Reynal, Texas Health Resources Foundation and Methodist Health System Foundation**) chaired by **Joni Krieg** in the beautiful home of **Michael and Cindy Rosenthal** (Michael was the recipient of Kidney donated by his sister).

Our last event in December was the Kidney Kids Holiday Party at **Children's Health Hospital** Chaired by **Regina Bruce** and **Dr. Carla Russo** who purchased and delivered wish list toys funded by KidneyTexas members for the children to their delight. KidneyTexas partners with Children's Health each year for the children and their families.

My appreciation to the above for stepping up to lead and to **Natalie** and **David Taylor** for personally facilitating the **Sam and Helga Feldman** Foundation substantial donations to KidneyTexas; to **Lexie Adams**, Nurse/Writer who presented us with a research paper on "Combating Kidney Disease: What Texans are Up Against"; to **Sharon Adams**, Public Affairs, who showcased KidneyTexas in the media; to **Sandy Secor** for her time and efforts publishing our newsletters and providing good advice as Advisory Chair; to **Donna Weitzman**, predecessor President, for her support and leadership; to our Executive staff member, **Deborah Brown**, who is the glue that holds it all together! Last but not least, to the Board of Directors, the Advisory Board and membership who support the mission of Kidney Texas. We are an organization with heart!

Thank you once again for your invaluable contribution and for the privilege of serving as your President. It has been an honor to work alongside such a dedicated and committed team.

With deepest appreciation,

Nancy Greenbach
